The Tribal "Angel" Food Distribution Services was developed by the Family Services Department late 2007 and is a host site for this area. The service provides the opportunity for you to order a "Regular" monthly food box that is available in a quantity that can fit into a medium-sized box for \$30 per unit.

Each month's menu consists of both fresh and frozen items with the average retail value of approximately \$60. Generally, one unit of food assists in feeding a family of four for about one week or a single senior citizen for almost a month. The food is all the same high quality one could purchase at a grocery store.

Orders are also available for specialty boxes such as steaks, chicken and pork with regular box orders. Additionally, there is no limit to the number of units or bonus foods an individual can receive. Angel Food Ministries also participates in the U.S. Food Stamp program so EBT card are acceptable.

Orders are collected by the host sites during the first part of each month. Food is delivered to our host site by a pre-arranged delivery mode usually the last Saturday of the month. Distribution is 9:00 - 10:00 a.m. at the Family Services Resource Auditorium.
