Allied Career Training, LLC

The school provides training for Heavy Equipment Operators and has a HVAC School for those interested in heating, ventilation and air-conditioning. The school is located in Dothan, Alabama. The school assists with job placement, employability skills, and has 70% success rate in placing their students. Assistance is provided for those who need reading comprehension assistance. The room and board is included with the cost of the student's training program. The main portion of the training is spent doing actual work. Additional information concerning the programs and program costs are available at www.acthvacschool.com.

Emailed Applications can be sent to Nativestudentscholarships@gmail.com

Cash4books.net

The company will buy used books. You can type in the book's ISBN and the company will tell you how much they will give you for it. You can print a pre-paid label they provide and mail it to them; and they send you a check. It does not cost anything to see what price they offer and you sale your college textbooks for a better price than your local college bookstore is offering. The web site is www.cash4books.net

Circle of Learning Master of Library and Information Science (MLIS) Degree Program Scholarship

The Circle of learning students can earn their Master of Library and Information Science degree online. The students receive financial assistance, mentoring, career advisement, reimbursement for technology expenses, field experience; receive compensation to attend
