P.O. PISTILLI UNDERGRADUATE SCHOLARSHIP

the objective of the P.O. Pistilli Undergraduate Scholarship for Advancement in Computer Science and Electrical Engineering is to increase the pool of professionals in Electrical and Computer Engineering and Computer Science from under-represented groups (female, African-American, Hispanic, Native American, and students with disabilities). The P.O. Pistilli Scholarship is funded by the Design Automation Conference and it is directed by the Association for Computing Machinery (ACM) Special Interest Group on Design Automation (SIGDA). U.S. citizenship is not required, but applicants must be U.S. residents when they apply and must plan to attend an accredited U.S. college or university.

Scholarships of $4000 per year, renewable for up to 5 years, are awarded annually to 2-7 high school seniors from the above-mentioned under-represented groups who have a 3.00 GPA or better (on a 4.00 scale), have demonstrated high achievement in math and science courses, have expressed a strong desire to pursue careers in electrical engineering, computer engineering, or computer science, and who have demonstrated substantial financial need.

U.S. citizenship is not required, but applicants must be U.S. residents when they apply, and must plan to attend an accredited US college or university.

Application Process:

- Applications are due (postmark deadline) on March 9, 2018
- The application form can be downloaded HERE
- Scholarship winners will be notified on April 13, 2018

Return the application postmarked by March 9, 2018
Professor Andrew B. Kahng
P.O. Pistilli Scholarship Director
Department of Computer Science and Engineering
University of California, San Diego
9500 Gilman Dr. #0404
La Jolla, CA 92093-0404

If you have any specific questions about the scholarship, please email (preferred), call, or fax the scholarship director, Andrew B. Kahng.
