Spirit of EAGLES Scholarship Announcement

Spirit of EAGLES

Spirit of EAGLES is now
part of the Mayo Clinic
College of Medicine and Science.

Mayo Clinic College of Medicine and Science is comprised of five professional schools and numerous academic support units and functions dedicated to the education and training of future leaders and life-long learning in the latest advances in medicine and biomedical science. Across this continuum, education at Mayo Clinic centers on the shared belief that the needs of the patient come first.

MISSION: To educate and inspire a diverse workforce of health care providers, physicians and scientists through excellence in medical education, research and clinical care; to alleviate

human suffering by providing compassionate and culturally sensitive care; to enhance the biomedical sciences through discovery and innovation; and to advance the national health care system through population science and leadership.

AAIP Annual Meeting

The Spirit of EAGLES has recognized the importance of providing travel assistance to students who are preparing for careers in medicine and research. We see the AAIP Annual Meeting as a key opportunity for development and networking and are therefore providing this opportunity for students to apply for Travel Scholarships to assist with conference attendance. The scholarships will consist of support for:

- Airfare
- Transportation
- Lodging
- Registration
- Meals
