## LIKE US ON FACEBOOK! PRESERVATION INDIGNEOUS-NATIVE YOUTH

The Office of Native American Affairs at the ACHP is thrilled to announce that we launched a Facebook page for Native youth. The Preservation Indigenous – Native Youth page is focused on connecting American Indian, Alaska Native and Native Hawaiian youth with information and opportunities related to historic and cultural preservation developments, and career and educational opportunities.

Our goal through this page is to increase interest in preservation among the next generation of Native youth. If your office uses Facebook, please find us at: https://www.facebook.com/pages/Preservation-Indigenous-Native-Youth/618814861585123, and be sure to "Like" us! Within just a few days of launching our Facebook page had 100 followers and we anticipate it will be a very successful resource for connecting with Native youth across the country.

We look forward to connecting with as many Tribal Historic Preservation Offices, Tribal offices, and Native Hawaiian organizations as possible, and helping to share information from your Facebook pages as well. Any questions related to the Facebook page may be directed to Rae Gould at rgould@achp.gov or 202-517-0196.
