

TRIBAL  
ECONOMIC  
LEADERSHIP  
PROGRAM

L2L leverages the ASU Decision Theater Network (DTN) to deliver a collaborative, immersive, and data-driven experience to participants.

DTN uses data analytics, visualization, and statistical modeling to address cross-disciplinary local, national, and international challenges. For more information, visit [decisiontheater.org](http://decisiontheater.org).

# L2L

*Leader-to-Leader*

*Tribal Economic Governance Seminar*

The Leader-to-Leader: Tribal Economic Governance seminar is an applied, intensive, and innovative training for elected and appointed tribal officials taught by experts and other tribal leaders. It is part of our Tribal Economic Leadership Program, available in spring 2017.

**Leaders who complete the L2L interactive seminar will learn:**

- Driving Economic Development: A Leader's Guide to Federal Indian Law and Policy
- Informed Decision-Making Through Sound Economic Development and Planning
- Taxation and Business Structures for Tribal Governments
- Overseeing the Financial Management of the Tribal Government and its Enterprises
- Financing and the Ability to Borrow
- Priority and Community-Based Budgeting

**Lacey Horn**  
Treasurer, Cherokee Nation

"I recommend it for all levels of financial managers, and especially for those who are new to their jobs or those who want to gain greater knowledge that will advance their ability to help their people and their career.

This training is taught by notable subject matter experts in Indian Country, and is an excellent opportunity to build both a professional and a peer network!"

# TFMC

## *Tribal Financial Manager Certification*

TFMC is a three-day training, part of the Tribal Economic Leadership Program, held on the Arizona State University campus. The TFMC training provides intensive, hands-on professional development in tribal finance, accounting and budget management specific to Tribal nations.

### **Practitioners who complete the Tribal Financial Manager Certificate training will learn:**

- Principles of Federal Indian Law and its Effect on Tribal Financial Management
- Government Accounting Standards and Principles
- Effects of Federal, State, and Tribal Taxation on Tribal Financial Management
- Best Practices for Internal Controls and Procurement Policies
- Key Tools for Developing and Managing Budgets
- Emerging Financial Issues in Indian Country
