

BESTCOLLEGES.COM GUIDES FOR LGBTQ STUDENTS

Bestcolleges.com and HigherEducation.com work together to provide students with information to schools and programs that suit their educational needs and goals. The programs may be online or campus based. Free college planning, financial aid, and career resources are additional resources provided to all students. Katelyn Baker, katelyn@bestcolleges.com, the Outreach Coordinator for BestColleges.com recently contacted us to provide information for LGBTQ students.
