

# Important Notice

## Summer Camp Reimbursement Program & Extracurricular Reimbursement Program

Effective immediately, the Summer Camp Reimbursement Program will be phased out. It will now be combined with the Extracurricular Reimbursement Program, and the allotment will increase to cover the cost of camps that take place throughout the year as well as extracurricular activities.

Qualifying students will be eligible to receive up to **\$1,500.00 for extracurricular activities and camps per program year.** This program will be operated from August 1, 2017 thru July 31, 2018. Reimbursements that have taken place when the program restarted which was August 1, 2017 will be deducted from the student's \$1,500 allotment for this program year.

This program **will not cover** hotel rooms, lunch, snacks, invitations, general field trips, fundraisers, donations, pictures, year books, gifts for school personnel, proms, and formal wear. It **will not cover** mileage to camps, activities, or tournaments.

It **will cover** registration fees, uniforms, practice equipment, mandatory school fees, all-inclusive educational school trips excluding field trips, graduation fees and supplies, and other expenses associated with extracurricular activities. If the activity is paid monthly, submit application and receipts after expenses have reached \$250.00. The Education Department has the right to refuse reimbursement for any purchases deemed inappropriate for this program and has the right to request additional documentation to be submitted.

In order to qualify, the applicant must be a Tribal Member or First Generation student in PreK-12<sup>th</sup> grade. Student must be 4 years old by September 1, 2017. Upon high school graduation, students no longer qualify for this program.

**If in doubt about purchases that qualify for this program, please call the Education Department.** Original receipts and applications must be submitted to the Education Department for reimbursement. Contact Magen Weaver for more information.
