MEMORANDUM 9/6/17

TO: ALL TENANTS

FROM: PCI HOUSING DEPARTMENT

SUBJECT: HURRICANE PREPAREDNESS

In preparation for Hurricane Irma, you will need to pick up and store away any unsecured items outside of your rental unit. These items should include, but not limited to: Grills, patio furniture, toys, ice chests, potted plants, decorative flags, basketball goals etc.

On Monday, September 11th, the Facilities Department will be coming around and picking up anything that is not picked up and stored away. Keep in mind, the Facilities Department or the Housing Department will not be responsible for the items that have to be picked up. Please stay aware of the weather that may threaten our community and be prepared to keep you and your family safe.

Also, PCI Housing is not responsible for content insurance on your rental unit. You as the tenant are responsible for your personal contents of the rental unit. This includes the food in your refrigerator and freezers.

This will only take place if we are in threat of Irma changing course and heading towards our community.

If you should have any questions or concerns regarding this issue, you may contact us at office at 251-368-9136 ext. 2251.
