MEMORANDUM

TO: TAHO Participants
FROM: Regina Brown, Housing Clerk
SUBJECT: Insurance Coverage Reminder

Due to the current weather conditions AMERIND Risk has denied any additions or changes to current policies. The Housing Department will notify you when AMERIND will accept additions or changes to current policies. You may still submit your information and when we are cleared to add, Housing will take the appropriate steps to add your property.

You may have gone through the Renovation Loan Program and had additions made to the property. This could be a room addition, a shed, a pole barn, fence, deck, porch, storm shelter, or an in-ground swimming pool (no above ground swimming pools are covered), etc. You will need to turn in the following information: materials, dimensions, construction cost, and pictures of all sides of the structure. If you have an above ground pool a fence will need to be installed around it and you must provide proof of insurance coverage to the Housing Department.

If you are unsure if you have submitted these items before please submit them to make sure items are covered. **It is YOUR responsibility to turn in the additions to be covered. If damage occurs and property is not listed there will be no coverage for the property.** Also, please keep in mind that **we do not cover your personal property or food items.** If you are interested in this type of coverage, we can give you information for Renters Insurance through AMERIND Risk.

You can email this information to me at rbrown@pci-nsn.gov or bring it by the housing office (Building # 400). If you have any questions, please contact me at (251) 368-9136 ext. 2254.

***** Please note if you received the Renovation Loan Program to do repairs to your home it is your responsibility to add this to insurance. *****

Thank you.
