

Poarch Government Purpose & Values

We act with **fairness** in all our decisions and policy applications inspiring others to **trust** our intentions and our actions. This affirms our **commitment to something bigger than any one of ourselves** and encourages all to **persevere** when we confront challenges along the journey. The **respect we show for the contributions** of all to our common purpose creates the platform for **open and honest interactions**. This leads to **collaborative relationships** and **openness to new ideas** and growing levels of **accomplishment**.

Purpose Statement

We bring a reservoir of expert knowledge to secure the health, education, and well-being of all Tribal members today and in the future. We act as role models who go beyond the call of duty and leaders who instill confidence in the fairness and wisdom of government decisions and actions.

We make a difference in the lives of Tribal members by fostering in them a spirit of independence and pride, connecting them to each other and their cultural heritage.
