

OBAMA FOUNDATION FELLOWSHIP PROGRAM

The [Obama Foundation Fellowship program](#) seeks to support outstanding civic innovators from around the world in order to amplify the impact of their work and inspire a wave of civic innovation. This two-year, non-residential Fellowship will offer hands-on training, resources, and leadership development.

The application closes on [Friday, October 6th at 6 PM Central Time](#).

Fellowship Requirements:

- Fellows must be fluent in spoken and written English, as all programming will be conducted in English.
- Applicants must be at least 18 years old.
- For more information about the ideal candidate, visit the [FAQ page](#).

What is included in the Fellowship?

- Guidance in developing a personalized Fellowship roadmap to help you get the most out of the program;
- Ongoing skill-building and training courses tailored to your particular needs;
- Exposure to opportunities provided by other Foundation programming, such as mentorship roles and speaking engagements;
- Participation in four gatherings (including economy airfare to/from the event, lodging, and all meals during the events); and
- For the inaugural class – the opportunity to shape the Fellowship program for future years.
