

POARCH BAND OF CREEK INDIANS HOUSING DEPARTMENT RENTAL PROGRAM POLICIES AND PROCEDURES

I. GENERAL PURPOSE

A. These policies and procedures are to govern the eligibility for, admission into, and occupancy of the rental housing units owned by the Poarch Band of Creek Indians (hereinafter the "Tribe") and the various programs offered and governed by the Tribe's Housing Department (hereinafter the "Department") for qualifying participants. The objective is to provide rental housing to qualifying Tribal Members in a safe and sanitary environment.

B. In general, these Policies and Procedures are designed to serve as:

1. A guide for the Department's staff to use in determining eligibility, admission of applicants, selection criteria and occupancy standards;
2. A document that provides for consistent, equitable, and uniform treatment of applicants;
3. A basis for decision making by the Department's staff; and
4. A guide for residents with regard to their obligations and duties in renting property from the Tribe.

C. Rental Housing Categories

1. Federally-Funded Housing Units:

These units consist of rental housing for applicants who qualify as low-income participants, are homeless, are living in an overcrowded condition, or are living in a substandard dwelling, as defined by the Native American Housing Assistance and Self-Determination Act of 1996 (NAHASDA). With the exception of "essential" personnel as defined in Section III, F(3), below, NAHASDA-funded units are only available for applicants who are low-income Indians.

2. Tribally-Funded Housing Units:

These units consist of rental housing for participants of all incomes and circumstances.

II. LIMITATIONS

Since the demand for rental housing exceeds the Department's ability to supply in each of the above categories, applicants must be advised of the following:

- A. It is the general policy of the Department that all Tribal rental housing is provided primarily as temporary housing until participants can better their living conditions.
- B. Applicants that are subsequently approved for Tribal rental housing must execute a lease agreement and agree to comply with the terms and conditions of the lease agreement as well as all directives, rules, policies and procedures issued by the Department. All lease agreements shall be for a set rental term as established by the Department.
- C. Primary Residence and Private Single Family Dwelling:

All rental units shall be used and occupied by the named Resident and his or her immediate family as the Resident's primary residence and as a private, single-family dwelling. A person not listed on the application or lease shall not be permitted to reside in the rental unit without first obtaining the Department's written consent. No part of any rental unit shall be used, at any time, for the purpose of carrying on any business, profession, or trade of any kind. A resident's "immediate family" may consist of the Residents:

- 1. Spouse;
- 2. Children 0-17 years of age;
- 3. Children 18 years of age and above, but not more than twenty-six (26) years of age, who are enrolled and attending any college or university as a full-time student;
- 4. Children 18 years of age and above, but not more than twenty-one (21) years of age, who are not enrolled and attending any college or university as a full-time student; and/or
- 5. Any person for whom the Resident serves as the legal guardian, conservator, or caregiver. Proof of legal guardianship, conservatorship, or of the medical necessity for the caregiver must be provided to the Department.

In addition to the Resident and Resident's immediate family, the following persons may be allowed to reside in the rental unit upon written approval by the Department:

- 1. Any person who serves as the legal guardian or conservator of the Resident. Proof of legal guardianship or conservatorship must be provided to the Department; and/or
- 2. Any person who serves as a caretaker for the Resident. Proof that a live-in caretaker is medically necessary (i.e., medical documentation) must be provided to the Department.

III. ELIGIBILITY FOR RENTAL HOUSING

A. Application

Applicants must be at least nineteen (19) years of age and must have a completed application on file that includes: proof of total household income, tribal identification, social security cards, marriage certificate, divorce decree, child custody information if applicable, and all other documentation requested by the Housing Department's staff. The application is attached hereto as "Exhibit A". If the Applicant is married, his/her spouse's information must be included, and the spouse must also sign the Application.

B. Credit Score Requirements

Certain rental housing units require that applicants have a minimum credit score as established by the Department. The application designates which of the rental units have minimum credit score requirements. Applicants who request to be considered for these units must also sign an authorization for the Department to request a credit report and score on the applicant. If the applicant is married, his/her spouse must also authorize a credit report to be requested. The credit scores of the applicant and spouse will be reported, and the higher of the two scores will be used in determining whether the applicant meets the minimum score established by the Department. If a Tribal Member Applicant cannot meet the minimum credit score requirement, the Applicant may still be allowed to participate in the program if he or she agrees (i) to receive his or her per capita check in monthly payments; and (ii) to have the payments due to Housing deducted prior to any distribution being made to the Tribal Member. If distribution has been made to the Tribal Member, then the Tribal Member must pay one (1) year of rent in advance to Housing and the Tribal Member must elect to receive future distributions monthly. The Applicant must sign an agreement to this effect prior to being allowed to occupy a rental unit.

C. If an applicant has occupied and vacated a rental unit on three (3) or more previous occasions, the applicant will not be eligible for another rental unit for a period of one (1) year from the most recent date that a rental unit was vacated.

D. Income Limitations

1. The income limitation for any given year shall be established in accordance with the Office of Native American Programs' latest published median income limits under the Native American Housing Assistance and Self-Determination Act of 1996 (NAHASDA).
2. Total income from each member of the household will be used to determine the total household income. Non-reoccurring and temporary income will not be included as income for the purpose of determining rent. The following are not considered as income:

- a. Casual, sporadic and irregular gifts;
- b. Reimbursement for cost of illness or medical care;
- c. Lump-sum additions to assets (e.g., inheritance, land sale, etc.);
- d. Educational scholarships;
- e. Special combat pay for military head of household;
- f. Relocation payments;
- g. Value of food stamps;
- h. Lump sum insurance settlements; or
- i. Child support payments.

E. Income Verification

All income must be verified in order for accurate rent payments to be calculated and charged. Applicants must provide documentation of income, examples of which include, but are not limited to:

1. Current tax return forms;
2. W-2s, 1099, recent paycheck stubs, statements from employers, and/or other pertinent sources giving authoritative information concerning all amounts of income;
3. Certified statements or data from bank accounts, self-employed persons and/or irregular wage earners such as salesmen, taxi drivers, etc., setting forth gross receipts, itemized expenses, and net income; and
4. Any and all reported income including, but not limited to, monthly Elderly Benefits and per capita payments.

F. Over-Income Applicants

1. Those applicants exceeding the yearly established median income limit shall be considered over-income applicants.
2. Over-income applicants shall only be eligible for placement in Tribally-Funded Housing Units, unless the applicant is "essential" to the community as discussed in subsection 3, below.
3. Under certain circumstances, the Department may assign over-income applicants to rental housing units where income limitations are applicable when such applicants are determined to be "essential" to the community as allowed by NAHASDA (which includes, but is not limited to, emergency and medical response personnel or other emergency first responders). These applicants will not receive the same benefits (e.g. rent, utility allowances) as the low-income applicants.

IV. RECEIPT OF APPLICATION/DETERMINATION OF ELIGIBILITY

Applications will be received at the Housing office where they will be date/time stamped and initialed by the Housing Department staff. The Housing Department reserves the right to check the references listed on the application from previous landlords.

- A. A criminal background check shall be performed on all new Applicants and any adults identified as residing in the Applicant's household at the Tribe's expense. All criminal background checks shall be performed by the Poarch Band of Creek Indians Police Department. The results of the criminal background check shall be used by the Housing Department for applicant screening purposes only and will be maintained and/or disclosed only to authorized Housing staff as designated by the Housing Director and in accordance with applicable Tribal and/or federal laws. Any resulting information may not be disclosed to any person who is not an officer, director, employee, or authorized representative of the Tribe and who does not have a job-related need to have access to the information for the purposes of this Policy.

If an Applicant's background check results in the report of unfavorable information that has occurred within ten (10) years immediately preceding the date of the application, the Housing Director has authority to deny the application or to approve the Applicant on a probationary basis. Said probationary period shall be for three (3), six (6), or nine (9) months, depending on the level of severity of the unfavorable report.

"Unfavorable" information shall include any conviction, guilty plea, or nolo contendere plea to any of the following:

1. Sex offenses—No probation shall be allowed. These applications will be denied.
2. Domestic Violence—No probation shall be allowed if the application is for a federally-funded housing unit. Probation may be allowed on a case-by-case basis if the application is for a Tribally-funded unit.
3. Felony drug offenses—Probation may be allowed on a case-by-case basis. Misdemeanor possession or possession of paraphernalia shall not be considered unfavorable.
4. Physical assault—Probation may be allowed on a case-by-case basis.
5. Felony offenses—Probation may be allowed on a case-by-case basis if the Applicant has completed all of the criminal probation requirements and has paid all restitution.

An additional background check will be conducted at the end of the probationary period. If no problems or incidents occur during the probationary period, and no additional unfavorable information is reported on the additional background check, the tenant will be allowed to proceed with an annual lease. If Applicant/Resident is determined to be ineligible because of an adult residing in Applicant/Resident's household, the Applicant/Resident shall be given the opportunity to remove the adult member from his or her household.

- B. If a previous resident of Tribal rental housing vacated or was evicted from a housing unit due to being the perpetrator of any of the following: Domestic Violence, drug use, sale/distribution, or trafficking/manufacturing, sexual misconduct, destruction of rental property, or any other criminal or violent offense, a new application will not be accepted from that individual for a period of two (2) years from the date of vacating/eviction.
- C. Applicants are responsible for providing all the necessary information and for accurately completing applications as required. They must certify that all information contained on their application is true and accurate to the best of their knowledge. They are also responsible for making corrections and updating their applications. Failure to update applications for a period of twelve (12) months is grounds for placing the application in an inactive file.
- D. The Department's staff shall maintain a file for each applicant. All information provided by the applicant, verification of information and all relevant correspondence with the application shall be contained in the file. Applications shall be maintained as follows:
 - 1. Active/Qualified Waiting File shall contain applications under active consideration. Each application shall be given a competitive score by the Department's staff in accordance with the score sheet attached as "Exhibit B" hereto. Applicants who wish to be removed from the file may submit a written request to the Department's staff.
 - 2. Incomplete/Pending File shall include those applications that have not been sufficiently completed or verified for a determination of eligibility. Applicants who submit an incomplete application shall be notified, if possible, and given fourteen (14) calendar days to submit the missing information. If the information is not submitted within the fourteen (14) calendar days, the application shall be moved to the Inactive File until completed or destroyed.
 - 3. Inactive File shall contain applications that are incomplete or have not been updated for twelve (12) months. Applications will be destroyed in according with tribal laws and policies.

V. SELECTION PROCEDURE AND REQUIREMENTS

- A. The Housing Department's Staff will select eligible applicants from the Active/Qualified Waiting List based on the score sheet, attached as "Exhibit B." The score sheet is designed to reflect the following order of priority and selection preference:
 - 1. Enrolled Poarch Creek Indian Tribal Member(s) who are head(s) of household;
 - 2. Enrolled Poarch Creek Indian Tribal Member(s) in a home whose head(s) of household are non-Indian;
 - 3. Tribal members of other federally recognized tribes; and
 - 4. All others.

- B. For NAHASDA-funded units, a scoresheet shall be used to assist with selection. However, these units are only available to low-income Indian or essential personnel. For low-income Indian or essential personnel applicants, the score sheet shall then be applied to assist with prioritizing applications for these units.

VI. NOTIFICATION OF SELECTION AND TENANT REQUIREMENTS

- A. Upon selection of an applicant, the Department's staff will contact the selected applicant via a mailed notice within two (2) working days of selection with the following information:
1. The applicant has been tentatively selected for participation in the Tribal rental housing program.
 2. Selection is subject to a final income and eligibility verification.
 3. The applicant may be required to participate in counseling/training sessions prior to occupancy.
 4. Lease
 - a. A lease shall be executed, and a security deposit shall be tendered by the applicant prior to occupancy of a rental unit. Only the Tribal Member who is the primary applicant can sign the lease. The lease is attached hereto as "Exhibit C."
 - b. Residents shall be required to pay a security deposit prior to occupancy as follows:
 1. \$200.00 for Federally-Funded rental units.
 2. \$350.00 for Tribally-Funded rental units.
 3. \$500.00 for the Moniac Townhouses.
 4. \$100.00 for Willow Creek Subdivision.
 - c. Should the resident be in default of the lease at any time, the Poarch Band of Creek Indians shall have the right to withhold payment of all per capita payments until the amounts due under the lease are paid in full.
 5. The applicant has ten (10) calendar days to respond to the notice by rejecting the offered rental unit or accepting the unit and providing the requested information for the completion of the verification process.

6. Failure to respond within ten (10) calendar days from receipt of the notice of selection will be regarded as a rejection of the offer.
 7. Upon acceptance of a rental unit, the applicant has ten (10) business days in which to occupy the unit. Any exception to this requirement must be approved by the Department.
 8. If one of the deadlines imposed by this Section falls on a weekend or holiday recognized by the Tribe, then the applicant shall have until the next business day to respond or comply with the deadline.
- B. If the applicant has not responded to the Housing Department's written notice by the third (3rd) business day, then the Department's staff shall attempt to call the applicant to inform the applicant of his/her selection and the process. The staff shall attempt to call the applicant three (3) times unless the staff speaks with the applicant prior to that time.
- C. If at any time during the pendency of an application, the applicant's contact information, including telephone number and mailing address, has changed, the applicant must immediately notify the Department staff of such changes, so as to ensure notice is properly served. The Department is not responsible for any lapse of an offer due to an applicant's failure to notify staff of any and all changes in contact information.

VII. OCCUPANCY STANDARDS FOR RENTAL UNITS

- A. Rental units will be assigned to applicants according to family composition. In order to prevent overcrowded conditions and wasted space, units will be assigned in accordance with the following schedule:

<u>Number of Bedrooms</u>	<u>Number of Persons</u>
2BR	1-4
3BR	3-6
4BR	5-8
5BR	7-10

- B. Exceptions that May Necessitate a Variation from the Above Schedule:
1. Children of different genders shall not be required to share a bedroom.
 2. The family shall not be required to have more than two (2) children of the same sex per bedroom, excluding the master bedroom.
 3. Two (2) children of the same gender who are separated by more than six (6) years of age may not be required to share a bedroom, depending on the availability of units.

4. Under certain circumstances, other exceptions may be made by the Housing Director. Factors that may be considered are age and sex of children, potential changes in family composition, and availability of unit sizes.

C. Transfers to Other Rental Housing Units:

Transfers between Tribal housing units are, in all cases, subject to unit availability and generally, transfers will not be permitted unless:

1. Upon written request by the request by the Resident, the Department Director determines that there are documented medical reasons warranting the transfer; or
2. The Department's Director determines that the resident's current family composition no longer conforms to the unit size, or the resident/household fails to comply with other applicable program guidelines.
 - a. Except in the case of evictions, if the Housing Director requires the resident to move to another Tribal rental unit or non-Tribal housing, the Housing Department will assist with payment of any deposits for utilities or security deposits at the new residence in order to help facilitate a smooth transition to the new residence.

- D. The Department reserves the right to establish additional guidelines and restrictions.

VIII. POLICY ON PETS

- A. A non-refundable fee of \$300.00 is required in order to have a pet in the rental unit. Elderly residents shall pay a \$200.00 refundable deposit in order to have a pet in their rental unit. The non-refundable fee and deposit will cover damages incurred by the resident's pet. Such damage includes, but not limited to, damage to carpeting, tile, walls, linoleum, doors and woodwork. After a move-out, if damages exceed the amount of the non-refundable fee or deposit, the former resident will be responsible for paying the difference in repair costs. A Pet Policy will be signed once the pet deposit/fee has been paid. See attached Pet Policy (see "Exhibit D")
- B. No pets are allowed in the Moniac Townhouses.

IX. RE-CERTIFICATION OF INCOME/RENEWAL OF LEASE/HOUSEHOLD COMPOSITION

A. Recertification

1. Re-certification only applies to residents of Federally-funded Housing units and is not required for residents that reside in the Tribally-funded Housing Units.
2. Residents are required to submit additional information for recertification if the

Department's staff deems it necessary to complete the family's records or to assist in determining income and rent. Information which may be required includes, but is not limited to, social security numbers for new family members, divorce decrees, marriage certificates, and receipts for various expenses.

3. The Department's staff will send notices to all residents regarding the dates for re-certification of income for the subsequent calendar year in accordance with these policies and procedures.

4. In addition, residents may voluntarily request a re-examination of income and/or re-certification if they feel that circumstances have occurred that would affect their monthly required rent.

5. The Department's staff will notify residents in writing of any discrepancies or questions regarding income, household compositions, or other stated facts revealed during the re-certification process. The notices will state any corrective action to be taken by the resident.

6. Failure to provide any necessary recertification documentation to the Department shall result in the imposition of late fees which shall be added to Participant's monthly payment as follows:

- a. For the first month, the late fee is \$50.00 if the documents are received after the Due Date.
- b. For the second month, the late fee is \$75.00 if the documents are received after the Due Date.
- c. For the third month, the late fee is \$100.00 if the documents are received after the Due Date.
- d. For the fourth month, the late fee is \$225.00 if the documents are received after the Due Date.

7. If re-certification documents are not received by the first day of the fourth month after the Due Date, in addition to the late fees, the resident will be declared in default of his/her lease and the Department will terminate the lease and proceed with eviction and/or collection, if necessary.

B. Renewal

1. Lease agreements may be eligible for renewal subject to the following:

- a. The resident's compliance with all rules and requirements as set forth in the lease agreement,

- b. The Resident's compliance with these Policies and Procedures, including re-certification,
- c. The Housing Department Director's approval, for residents who are in compliance and have satisfied all requirements, and
- d. The Tribal Grievance Board's approval for residents who are not in compliance or who have outstanding issues which prevent the Director from approving the renewal request.

2. In order to determine whether a resident is in compliance with his or her lease and these Policies and Procedures, rental units shall be subject to an annual inspection by the Housing Department's staff.

- a. Housing staff shall provide notice of inspection at least forty-eight (48) hours in advance unless an emergency situation exists, in which instance, the Director shall document the reason for shorter notice being given.
- b. Nothing in section IX(B)(2) above shall be construed as altering, amending, limiting or restricting the Department's right to inspect any rental unit at all reasonable times as provided in the lease agreement.

3. Upon lease renewal, a criminal background check shall be performed on all Residents and any adults identified as residing in the Resident's household at the Tribe's expense. All criminal background checks shall be performed by the Poarch Band of Creek Indians Police Department. The results of the criminal background check shall be used by the Housing Department for applicant screening purposes only and will be maintained and/or disclosed only to authorized Housing staff as designated by the Housing Director and in accordance with applicable Tribal and/or federal laws. Any resulting information may not be disclosed to any person who is not an officer, director, employee, or authorized representative of the Tribe and who does not have a job-related need to have access to the information for the purposes of this Policy. If a Resident's background check results in the report of unfavorable information that has occurred within the time period during which the Resident has lived in a Tribal rental unit or five (5) years immediately preceding the date of the recertification, whichever is shortest, the Housing Director has authority to approve the Resident on a probationary basis. Said probationary period shall be for three (3), six (6), or nine (9) months, depending on the level of severity of the unfavorable report.

"Unfavorable" information shall include any conviction, guilty plea, or nolo contendere plea to any of the following:

- a. Sex offenses—No probation shall be allowed. These applications will be denied.
- b. Domestic Violence—No probation shall be allowed if the application is for a federally-funded housing unit. Probation may be allowed on a case-by-case basis if the application is for a Tribally-funded unit.

- c. Felony drug offenses—Probation may be allowed on a case-by-case basis. Misdemeanor possession or possession of paraphernalia shall not be considered unfavorable.
- d. Physical assault—Probation may be allowed on a case-by-case basis.
- e. Felony offenses—Probation may be allowed on a case-by-case basis if the Resident has completed all of the criminal probation requirements and has paid all restitution.

An additional background check will be conducted at the end of the probationary period. If no problems or incidents occur during the probationary period, and no additional unfavorable information is reported on the additional background check, the tenant will be allowed to proceed with an annual lease. If the Resident is determined to be ineligible because of an adult residing in the Resident's household, the Resident shall be given the opportunity to remove the adult member from his or her household.

4. At time of lease renewal, a non-Tribal member tenant who was named on a lease but no longer qualifies to be a tenant (i.e., no longer has tribal member dependents in the residence) will be required to vacate the rental unit within sixty (60) days of notification from Housing staff that he or she no longer qualifies as a tenant.

5. An adult Tribal Member who was not listed on another Tribal Member's lease must file his or her own application for Tribal housing and must vacate the rental unit within sixty (60) days of notification from the Housing staff.

X. RENT PAYMENTS

A. Standardized rent payments for low-income residents may be adjusted annually by the Housing Department in order to meet budget restraints and to keep rental housing safe and sanitary. The current monthly rent payments for these units are:

2BR	3BR	4BR	5BR
\$150	\$175	\$200	\$225

B. Payments for low-income Elderly residents residing in Willow Creek subdivision are based on the resident's income and cannot exceed one hundred (\$100.00) dollars per month.

C. Rent for low-income residents residing in Federally-funded rental housing will not exceed thirty (30) percent of their monthly adjusted income, and shall be calculated in the following manner:

$$\text{Adjusted Gross Income} \times 30\% \div 12$$

D. Only low-income Elderly residents and Persons with Disabilities who are residents are authorized a utility allowance, which is currently set at fifty (\$50.00 dollars) per month.

E. Residents of tribally-funded rental units will be charged a monthly rent of:

2BR	3BR	4BR	Moniac Townhouses
\$300.00	\$325.00	\$350.00	\$500.00

F. Residents subsequently declared over-income through the re-certification process will have their rent increased by 10% of their net income, with the exception of the Moniac Townhouses where the rent is fixed at Five Hundred Dollars (\$500.00) per month. The new rental amount shall not exceed Three Hundred Dollars (\$300.00) per month for low-income units. The rent increases for over-income residents will be implemented over a twelve (12) month period at the rate of Twenty-Five Percent (25%) each quarter (every 3 month period). Residents in low-income units who are subsequently determined to be over-income shall be required to move to an over-income unit. If no over-income units are available, the Resident shall be responsible for finding alternate housing.

G. Errors in Calculating Rent Payments

Any errors in calculating rent subsequently discovered by either the Department's staff or the resident will be adjusted retroactively to the effective date of the change.

H. Adjustments/Abatements of Rent Payment Amounts

A Resident experiencing a financial hardship due to a short-term disability or loss of employment (through no fault of the employee) may submit a written request to the Department Director asking for the monthly payments to be reduced or suspended. The written request shall include a description of the hardship and supporting documentation of the disability and financial hardship. The Director may set a hearing on the matter. With or without a hearing, the Director may determine whether to temporarily suspend or reduce payment(s). Any temporary suspension or reduction of payments shall not exceed **ninety (90) days** and may necessitate an addendum of the Lease Agreement in order to extend the term of the Lease Agreement. Late fees shall be waived during the temporary suspension.

Any adjustments to or recalculation of rental payment amounts shall become effective on the 1st day of the month following provision of written notice, attached as "**Exhibit E,**" by the Housing Department Director.

XI. LEGAL PROCEEDINGS

A. Once a complaint is filed in Tribal Court, the resident's Housing account is frozen. If the resident wishes to settle the matter with the Housing Department, the resident shall contact the Programs Specialist.

B. If the tribal court issues an order of eviction, the Department's staff will monitor the unit and arrange for lock down of the unit on the day scheduled for eviction. In any case, the

delinquent account will remain on record, and the Department's staff will continue to use any and all legal remedies for collection of the delinquency.

- C. It will be the responsibility of the evicted resident to remove all personal property from the unit. If any property is left in the unit after the deadline in the eviction order, the Department's staff may dispose of any such abandoned personal property by any legal means.

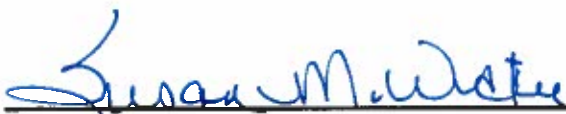

XII. DEMOLITION AND DISPOSITION

The Housing Department's staff may recommend demolition if a unit(s) is found to be unsafe.

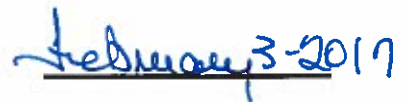

XIII. IMPLEMENTATION

The Housing Director and Staff are tasked with the requirement to implement the Housing Rental Program by promoting it, developing any other necessary forms and developing a point system that would lead to the creation of a list of Applicants that is to be prioritized and maintained.

These policies and procedures are adopted by the Poarch Band of Creek Indians Housing Department on this 3rd day of February, 2017. These Policies and Procedures will apply to any applications or lease renewals approved after the date of adoption. With respect to any notice of eviction or termination, a Resident must be informed of and provided with the opportunity, prior to any hearing or trial, to examine any relevant documents, records, or regulations directly related to the eviction or termination. Any allegation of a violation of this Policy should be directed to the Tribal Grievance Board. Any other adverse decision, or any instance/decision in which the Housing Department Director has a conflict of interest, should be directed to the Tribal Member Services Division Director.

The Resident agrees to report any such changes in total family income (either increase or decrease) and family composition within ten (10) days after the changes have occurred. If Resident reports zero (0) family income, Landlord may require a signed personal declaration to that effect and may request information regarding income and family composition at any time and at periodic intervals.

Resident acknowledges that any failure to provide timely, complete, accurate, and honest information with regard to income or family composition may result in termination of this lease agreement.

In the event Landlord determines rent should be adjusted, the Landlord shall deliver to the Resident a "Notice of Rent Adjustment," which shall constitute a unilateral amendment to the Lease Agreement.

In the event the Landlord determines that the size of the Premises is no longer appropriate for the Resident's needs due to any changes in family composition and/or living arrangements, the Landlord may unilaterally amend the Lease Agreement by giving Resident notice that he or she shall be required to vacate the premises, execute a new Lease Agreement, and move to another unit within seven (7) calendar days. Failure to comply with such notice may result in termination of the Lease Agreement. Upon execution of a new Lease Agreement, all prior Lease Agreements shall become null and void. If the Landlord requires Resident to vacate the premises for any reason other than eviction or non-compliance with Housing Department Policies & Procedures, the Housing Department shall assist with the payment of deposits, as outlined in the Rental Policy.

3. **SECURITY/DAMAGE DEPOSIT.** Upon the due execution of this Agreement, Resident shall deposit with Landlord the sum of _____ Dollars (\$____), receipt of which is hereby acknowledged by Landlord, as security for any damage caused to the Premises during the term hereof. Such deposit shall be returned to Resident, without interest, within thirty (30) days of the Resident vacating the premises and shall be for the amount paid less any set off of damages to the Premises beyond normal wear and tear, applicable cleaning fees, applicable fees associated with changing the locks on the Premises if keys to both the Premises and its mailbox are not returned to the Landlord at the time Resident vacates the Premises, and/or any unpaid rent upon the termination of this Agreement.

4. **USE OF PREMISES.** The Premises shall be used and occupied by Resident and Resident’s immediate family, consisting of:

<u>Name</u>	<u>Date of Birth</u>	<u>Relationship</u>	<u>S.S.N.</u>	<u>Roll Number</u>

The Premises shall be used exclusively as a private single-family dwelling, and no part of the Premises shall be used at any time during the term of this Agreement by Resident for the purpose of carrying on any business, profession, or trade of any kind, or for any purpose other than as a private single-family dwelling. Resident shall not allow any other person, other than Resident’s immediate family or transient relatives and friends who are guests of Resident, to use or occupy the Premises without first obtaining Landlord’s written consent to such use, in accordance with the Landlord’s Housing Rental Policies and Procedures. Furthermore, Resident shall comply with any and all laws, ordinances, rules and orders of any and all governmental or quasi-governmental authorities affecting the cleanliness, use, occupancy and preservation of the Premises. Resident further covenants that at all times during the lease term or any subsequent renewal thereof, the Premises shall be utilized as Resident’s primary residence. Resident acknowledges and agrees that Resident may be required to submit written documentation or proof of primary residency as deemed necessary by the Landlord.

5. **CONDITION OF PREMISES.** Resident stipulates, represents and warrants that Resident has examined the Premises, and that they are, at the time of this Lease, in good order, repair, and in a safe, clean and tenable condition, except as otherwise noted in “Lease Exhibit 1” attached.
6. **ASSIGNMENT AND SUB-LETTING.** Resident shall not assign this Agreement, or sub-let or grant any license to use the Premises or any part thereof without the prior written consent of Landlord. Consent by Landlord to one such assignment, sub-letting or license shall not be deemed to be a consent to any subsequent assignment, sub-letting or license. An assignment, sub-letting or license without the prior written consent of Landlord or an assignment or sub-letting by operation of law shall be absolutely null and void and shall, at Landlord’s option, terminate this Agreement.
7. **ALTERATIONS AND IMPROVEMENTS.** Resident shall make no alterations to the buildings or improvements on the Premises or construct any building or make any other improvements on the Premises without the prior written consent of Landlord. Any and all alterations, changes, and/or improvements built, constructed or placed on the Premises by Resident shall, unless otherwise provided by written agreement between Landlord and Resident, be and become the property of Landlord and remain on the Premises at the expiration or earlier termination of this Agreement.

8. **HAZARDOUS MATERIALS.** Resident shall not keep on the Premises any item of a dangerous, flammable or explosive character that might unreasonably increase the danger of fire or explosion on the Premises or that might be considered hazardous or extra hazardous by any responsible insurance company.
9. **UTILITIES.** Resident shall be responsible for arranging for and paying for all utility services required on the Premises.
10. **MAINTENANCE AND REPAIRS.** Resident will, at his or her sole expense, keep and maintain the Premises and appurtenances in good and sanitary condition and repair during the term of this Agreement and any renewal thereof. Failure of Resident to maintain premises in safe and appropriate condition shall give the Housing Department, at its discretion, the right to perform such repairs and/or maintenance as is deemed necessary and to charge resident for the expense thereof, according to the Maintenance Repair List Price, attached as “Lease Exhibit 2.”
11. **INSPECTION OF PREMISES.** Landlord and Landlord’s agents shall have the right at all reasonable times during the term of this Agreement and any renewal thereof to enter the Premises for the purpose of inspecting the Premises and all buildings and improvements thereon, and for the purposes of making any repairs, additions or alterations as may be deemed appropriate by Landlord for the preservation of the Premises or the building. The right of entry shall likewise exist for the purpose of removing placards, signs, fixtures, alterations or additions that do not conform to this Agreement or to any restrictions, rules or regulations affecting the Premises.
12. **RULES AND REGULATIONS.** Resident shall at all times abide by the Housing Department’s Rules and Regulations, attached as “Lease Exhibit 3.” Resident shall further ensure that all household members and guests also abide by the Rules & Regulations at all times.
13. **SURRENDER OF PREMISES.** Upon the expiration of the term hereof, Resident shall surrender the Premises in as good a state and condition as they were at the commencement of this Agreement, reasonable use and wear and tear thereof and damages by the elements being excepted.
14. **QUIET ENJOYMENT.** Resident, upon payment of all of the sums referred to herein as being payable by Resident, performance of all Resident’s agreements contained herein and observance of all rules and regulations, shall and may peacefully and quietly have, hold and enjoy said Premises for the term hereof.
15. **INDEMNIFICATION.** Landlord shall not be liable for any damage or injury of or to the Resident, Resident’s family, guests, invitees, agents or employees or to any person entering the Premises of the building of which the Premises are a part or to goods or equipment, or in the structure or equipment of the structure of which the Premises are a part, and Resident hereby agrees to indemnify, defend and hold Landlord harmless from any and all claims or assertions of every kind and nature.

16. DEFAULT.

- A. FAILURE TO PAY RENT. If Resident fails to pay rent when due and the default continues thereafter, Landlord may, at Landlord's option, declare the entire balance of rent payable hereunder to be immediately due and payable and may exercise any and all rights and remedies available to Landlord at law and/or may immediately terminate this Agreement.
- B. OTHER METHODS/MEANS OF DEFAULT. If the Resident fails to comply with any of the material provisions of this Agreement, other than the covenant to pay rent, or of any present rules and regulations or any that may be hereafter prescribed by Landlord, or materially fails to comply with any duties imposed on resident by law, at any time after delivery of written notice by Landlord specifying the non-compliance and indicating the intention of Landlord to terminate the Lease by reason thereof, Landlord may do any of the following, in Landlord's sole discretion: provide Resident ten (10) days within which to cure the default (if not for the defaults described in Subsections A, C, or D herein), or immediately terminate this Agreement.
- C. If Resident receives a total of three (3) written notices of non-compliance for any reason during the entire term of this Agreement, Landlord may, at any time after delivery of the third written non-compliance notice, give written notice of intent to terminate, and thereafter, may terminate this Agreement.
- D. If Resident or any member of the Resident's household has been involved in the Tribal Court three (3) or more times as a defendant in a criminal or drug court case or juvenile proceeding, Landlord may, at any time after the third (3rd) Tribal Court involvement, give written notice of intent to terminate, and thereafter, may terminate this Agreement.

17. TERMINATION.

- A. TERMINATION BY RESIDENT. Resident may terminate this Agreement by giving fourteen (14) days written notice to the Landlord.
- B. TERMINATION BY LANDLORD. Landlord may, at Landlord's option, terminate this Agreement if Resident is in Default according to Paragraph 16.

- 18. STIPENDS, PER CAPITA PAYMENT SECURITY INTEREST AND VOLUNTARY ASSIGNMENT.** By signing this Agreement, Resident hereby grants the Poarch Band of Creek Indians a security interest in any and all (1) stipends owed to the Resident for attendance at Board, Commission, Department or Committee meetings of Tribal entities, and (2) future per capita payments (otherwise known as "birthday checks") issued by the Poarch Band of Creek Indians to the Resident until the amount of all sums owed including rent, late fees, damages, interest at a rate of 18% per annum (1.5% per month) from the date of default, and Court fees under this Lease Agreement

are paid in full. The grant of such security interest shall also constitute a Voluntary Assignment of the per capita payments and stipends under the Tribal Code to the extent of the amounts owed under the Lease Agreement. Should the Resident be in default under the Lease Agreement at any time, the Poarch Band of Creek Indians and its Housing Department, in the exercise of its rights under this Security Interest and Voluntary Assignment, shall have the right and upon notice default to Resident, and without any further action or judicial process, to retain and withhold the per capita payment(s) and stipends otherwise payable to Resident and to pay and apply such per capita payments and stipends to itself to satisfy any amount then in default under the Lease Agreement.

19. **LATE CHARGE.** In the event that any payment required to be paid by Resident hereunder is not made within fifteen (15) days of the due date, Resident shall pay to Landlord, in addition to such payment or other charges due hereunder, a "late fee" in the amount of 10% of the rent amount.
20. **ABANDONMENT.** If at any time during the term of this Agreement, Resident is absent from the housing unit for a period of thirty (30) consecutive days or longer without prior written approval of the Department, or if Resident ceases to use the residence as his primary dwelling, Resident will be deemed to have abandoned the Premises. Landlord may then, at Landlord's option, exercise all rights and remedies against Resident that it may have in order to collect past due rents, damages, or any other amounts owed to Landlord. If Landlord's right of reentry is exercised following abandonment of the Premises by Resident, the Landlord shall consider any personal property belonging to Resident and left on the Premises to also have been abandoned, in which case Landlord may dispose of all such personal property in any manner Landlord shall deem proper, and Landlord is hereby relieved of all liability for doing so.
21. **RIGHTS AND REMEDIES.** The rights and remedies under this Lease are cumulative, and either party's using any one right or remedy will not preclude or waive that party's right to use any other. These rights and remedies are in addition to any other rights the parties may have by law, statute, ordinance, or otherwise.
22. **GRIEVANCES.** With respect to any notice of eviction or termination, a Resident must be informed of and provided with the opportunity, prior to any hearing or trial, to examine any relevant documents, records, or regulations directly related to the eviction or termination. Any allegation of a violation of the Rental Policy should be directed to the Tribal Grievance Board. Any other adverse decision, or any instance/decision in which the Housing Department Director has a conflict of interest, should be directed to the Tribal Member Services Division Director.
23. **GOVERNING LAW.** This Agreement shall be governed, construed and interpreted by, through and under the Laws of the Poarch Band of Creek Indians. Exclusive venue and jurisdiction for all questions or suits arising from this Lease Agreement shall be vested in the Tribal Court of the Poarch Band of Creek Indians. Nothing contained in this Lease Agreement or any other documents shall be construed or deemed to provide recourse to Tribal Government assets.

24. **ATTORNEYS FEES AND LITIGATION EXPENSES.** In the event a lawsuit is filed concerning any dispute between the parties related to or arising out of this Lease Agreement, the prevailing party shall be entitled to recover, in addition to any other remedy obtained, all reasonable attorney's fees, costs and expenses associated with pursuing said litigation.
25. **SEVERABILITY.** If any provision of this Agreement or the application thereof shall, for any reason and to any extent, be invalid or unenforceable, neither the remainder of this Agreement nor the application of the provision to other persons, entities or circumstances shall be affected thereby, but instead shall be enforced to the maximum extent permitted by law.
26. **BINDING EFFECT.** The covenants, obligations and conditions herein contained shall be binding on and inure to the benefit of the heirs, legal representatives, and assigns of the parties hereto.
