7 TIPS FOR SUCCESSFUL SCHOLARSHIP APPLICATIONS

<https://www.usnews.com/education/scholarship-search-insider/articles/2017-10-19/7-tips-to-fund-college-with-scholarships>

STUDENTS SHOULD FILE FOR THEIR FAFSA APPLICATION AS EARLY AS OCTOBER

That means for the 2017-2018 school year, students and their families can start [applying for financial aid](#) as early as Oct. 1, 2017. In prior years, the form became available on Jan. The new FAFSA timeline is intended to help families receive notification earlier, government officials say. Filing early also helps a student to receive state funding, and possible additional funding from their college. Private scholarships that are geared to help student who have financial need will ask for a copy of the students Pell SAR in order to make their decision on whether or not to award a scholarship to the student. There are new videos at YouTube.com to help you with your FAFSA application.

STUDENT LOAN RANGER

Student Loan Ranger, currently authored by American Student Assistance®, helps prospective and current students and recent graduates make sense of borrowing options, student debt and loan repayment. The national nonprofit also runs [Salt®](#), a free educational resource that provides personalized tools to help higher education consumers borrow and repay their loans in a way that works for them. The organization’s e-book, “[100+ Ways to Get Rid of Student Loans \(Without Paying Them\)](#),” offers guidance on the options that may forgive, discharge or pay for all or a portion of a borrower’s student loans. Got a question? Email studentloanranger@usnews.com

AFTERCOLLEGE BUSINESS SCHOLARSHIP

AfterCollege is a program that helps students find jobs and internships and they award scholarships. Each scholarship is worth \$500. December 31, 2017 is the deadline.

Eligibility requirements:

- Open to currently enrolled students working toward a degree (AA, AS, BA, BS, MS, and PhD) in a field of business.
- Business may include (but is not limited to) Accounting, Advertising, Business Administration, Economics, Finance, Human Resources, International Relations, Management, Political Science, Public Relations, etc.
- Minimum 3.0 GPA

PCI EDUCATION DECEMBER 2017– FEBRUARY 2018 FINANCIAL AID NEWS

Be sure to pay attention to details while applying for this scholarship. AfterCollege is also an employer.

<https://www.aftercollege.com/company/aftercollege-inc/10/scholarship/183/?source=ur-sch-business>

AMERICAN BUS ASSOCIATION

The diversity scholarship was created to increase the numbers of traditionally underrepresented groups in the management and operation ranks of the transportation, travel, and tourism industry.

Applicants must have completed, at a minimum, their first year of college at an accredited university; must have declared major or course of study relevant to the transportation, travel, and tourism industry; and have a cumulative 3.0 GPA. A 500-word essay is required. The essay should be how the applicant plans to help advance the future of the transportation, motor coach travel and tourism/hospitality industry.

The award amount is \$5000. The application opens online December 7, 2017 and the deadline is April 6, 2018. The application can be accessed at <https://www.buses.org/?/aba-foundation/scholarships/diversity>.

ALLIED VAN LINES SCHOLARSHIP

They will award three scholarships to three students for \$1000 each. The scholarship has a December 15, 2017 deadline. They are seeking applicants that are studying logistics and moving related fields of study. The scholarship award will be a check made out to the student's college/university. The applicants must submit a brief essay of between 400 and 800 words, detailing why a career in logistics/supply chain management is his/her college major of choice. A personalized tone, referencing sincere firsthand experience and sentiment, is best—no need to be too formal. Additional details are found at <https://www.allied.com/scholarship>.

AMERICAN SOCIETY OF SAFETY ENGINEERS (ASSE) SCHOLARSHIPS

Applications are available on the American Society of Safety Engineers (ASSE) website. The foundation has two scholarship programs.

The ASSE Foundation has awarded more than \$2.3 million in scholarships and professional education grants to students beginning their studies in occupational safety and professionals seeking to continue their education. **December 1 as their deadline.**

ASSOCIATION ON AMERICAN INDIAN AFFAIRS SCHOLARSHIPS

The scholarship deadline for spring is December 15, 2017.

Applicant requirements are:

- Be enrolled members within their respective tribe from continental US tribes or Alaska Native.
- Submit a copy of tribal enrollment (*there is no minimum blood quantum requirement for eligibility*). This can be a copy of the student's tribal I.D. card or a copy of an official letter from the tribe.
- Be enrolled as full-time students for both fall and spring semesters.
- Have a minimum 2.5 out of 4.0 GPA.
- Attend an accredited institution and be seeking an Associate's Degree or higher (AAIA *does not fund certificate programs or seminaries*).

The applications and additional information is located at <http://www.indian-affairs.org>.

AMS GRADUATE FELLOWSHIPS

The AMS Graduate Fellowships are sponsored by industry leaders and government agencies and are designed to attract promising young scientists to prepare for careers in the atmospheric and related oceanic and hydrologic fields.

Eligibility:

- Entering their first year of graduate school in the upcoming fall and provide evidence of acceptance as a full-time student at an accredited U.S. institution at the time of the award
 - Pursuing a degree in the atmospheric or related sciences
- Must have a minimum GPA of 3.25
- Must be a U.S. citizen or hold permanent resident status. No age restriction exists.

The application and additional information is available at the website.

<https://www.ametsoc.org/ams/index.cfm/information-for/students/ams-scholarships-and-fellowships/ams-graduate-fellowships>. The award amount for nine months is \$25,000. **The**

Deadline is January 13, 2018

DAR AMERICAN INDIAN SCHOLARSHIP

PCI EDUCATION DECEMBER 2017– FEBRUARY 2018 FINANCIAL AID NEWS

The scholarship is for Native Americans students of any age, any tribe and in any state striving to get an education at the undergraduate or graduate levels. However, undergraduate students are given preference. All awards are judged based on financial need and academic achievement.

The applicants must provide proof of American Indian blood. Letter, proof papers or copy of Tribal ID card requires this proof. The student must have financial need and have a grade point average of 3.25 or higher. **There will be no exceptions. It is a one-time \$4,000 award.**

To apply: Download the application at

<https://www.dar.org/sites/default/files/members/darnet/forms/AI-1001.pdf> and mail the completed application to the address listed below.

National Vice Chairman, DAR American Indians Committee

5990 US 64

Farmington, New Mexico 87410-1507

(This address is correct for the 2016-2019 DAR administration.)

CATHERINE AND DAVID THOMPSON SPACE TECHNOLOGY SCHOLARSHIP

The AIAA Foundation annually awards financial aid to undergraduate and graduate students in science or engineering programs related to aerospace.

Eligibility:

- Must be an AIAA Member
- Must be a full-time student
- 3.3 GPA
- Must be studying a field to enter the space industry (e.g. astronautically engineering)
- Sophomores and juniors who receive one of these awards are not restricted from applying in subsequent years

The award amount is \$5000 and the deadline is January 31, 018. Additional information and the applications are found at

http://www.aiaa.org/Scholarships/?_ga=2.7478770.1351790226.1510070170-1108385976.1510070170.

CAROLINE E HOLT NURSING SCHOLARSHIP

A one-time \$2,500 award is given to three students who are in financial need and who have been accepted or is currently enrolled in an accredited school of nursing. A letter of acceptance

PCI EDUCATION DECEMBER 2017– FEBRUARY 2018 FINANCIAL AID NEWS

into a nursing program or a transcript stating the applicant is in a nursing program must be included with the application.

The DAR Scholarship Committee awards scholarships to qualified applicants regardless of race, religion or sex. All applicants must be United States citizens. All multi-year scholarships, typically renewable up to four years, must be for consecutive years of attendance at an accredited college or university in the United States. The only exception is the American Indian Scholarship that is available for students pursuing vocational training. The award amount is \$2,500. The deadline is November 15, 2017. The application can be found near the bottom of their web page at www.dar.org

CHURCH'S CHICKEN COMMUNITY SCHOLARSHIP PROGRAM

The scholarship is for high school seniors and the 2018 application will be available in January. The application can be found in January 2018 at <https://www.scholarsapply.org/churchsscholars/>.

The Church's Partners Foundation, Inc. established a scholarship program to assist high school seniors residing in 16 eligible states who plan to continue their education in college or vocational school programs. Scholarships are offered each year for part-time or full-time study at an accredited U.S. institution of the student's choice

Eligibility:

- Be living in one of the following states: AL, AR, AZ, CA, CO, FL, GA, IL, LA, MO, MS, NM, NV, TN, TX
- Be graduating high school seniors or be graduating from home school education in the U.S.
- Plan to enroll part-time, full-time, without interruption, for the entire upcoming academic year at an accredited two-year or four-year college, university, or vocational-technical school in the U.S.
- Minimum 2.7 GPA
- Be a resident of the U.S.
- Officers, directors, and children of officers and directors of CPF are not eligible to apply. Employees of Cajun Operating Company and its franchisees may not apply, but children of employees may apply.

PCI EDUCATION DECEMBER 2017– FEBRUARY 2018 FINANCIAL AID NEWS

Church's also has an employee scholarship program.
<https://www.scholarsapply.org/churchsscholars-employees/>.

DOE COMPUTATIONAL SCIENCE GRADUATE FELLOWSHIP

The Department of Energy Computational Science Graduate Fellowship (DOE CSGF) is a program funded by the Department of Energy's Office of Science and National Nuclear Security Administration. The DOE CSGF trains scientists to meet the nation's workforce needs and helps to create a nationwide interdisciplinary community. The fellowship provides support and guidance to some of the nation's best scientific graduate students and these graduates now work in DOE laboratories, private industry, and educational institutions. The demand for trained scientist is growing.

The fellowship currently supports more than 60 students at universities across the U.S. More than 250 students at more than 50 U.S. universities have trained as Fellows, and Recipients use math and computers to conduct doctoral research in many fields, including:

Applied Mathematics
Astrophysics
Chemical Engineering
Chemistry
Computer Sciences
Environmental Sciences
Life Sciences
Materials Sciences
Mechanical Engineering
Physics

The DOE CSGF benefits:

- A yearly stipend of \$36,000
- Payment of full tuition and required fees during the appointment period (at any accredited U.S. university)
- A \$5,000 academic allowance in the first fellowship year and a \$1,000 allowance each renewed year (to be used for the purchase of a computer workstation or for research/professional development expenses)
- Up to four years of total support, depending on renewal
- A twelve-week [practicum](#) experience at one of 21 DOE national laboratories or sites, including access to DOE supercomputers
- A rigorous [program of study](#) that ensures fellows have solid backgrounds in a scientific or engineering discipline plus computer science and applied mathematics
- An [annual program review](#) for fellows, alumni, university and DOE laboratory staff, held each summer in the Washington, D.C. area

The application is due January 17, 2018. The program description and the application are found at <https://www.krellinst.org/csgf/>.

PCI EDUCATION DECEMBER 2017– FEBRUARY 2018 FINANCIAL AID NEWS

Eligibility:

- Current high school seniors, high school graduates (including students who have earned their ED certificate), or current undergraduate students of any age who have MS or have a parent with MS and will be attending, or are already currently attending, an accredited postsecondary school working toward their first undergraduate degree
- United States citizen or legal resident living in the United States, Puerto Rico, U.S. Virgin Islands, Guam or any other U.S. territory

PCI EDUCATION DECEMBER 2017– FEBRUARY 2018 FINANCIAL AID NEWS

- Plan to enroll in an undergraduate course of study at an accredited two- or four-year college, university, or vocational-technical school located in the United States, Puerto Rico, U.S. Virgin Islands, Guam or any other U.S. territory for the upcoming academic year
- Enroll in at least six credit hours per semester in course work leading to a first-time degree, license or certificate.
Students who have already completed an undergraduate degree are ineligible to apply.

For more information or to apply, please visit the scholarship provider's website <https://www.scholarsapply.org/mssociety/> . The deadline is January 31, 2018.

SMART SCHOLARSHIP

The purpose of the scholarship is to increase the number of scientist and engineers working with the Department of Defense. Applicants that receive the scholarship will work one year with the DOD for each year of scholarship funds they receive. The program opens in August 1, 2017 and the application must be submitted by December 1, 2017.

The selected applicants are provided summer internships and are placed in DOD positions upon completion of their degree. Read all Questions and Answer sections that are available on their site so that you can organize your application process in order to have everything submitted by December 1, 2018. Additional information is found at <https://smart.asee.org/apply>.

VETERINARY STUDENT SCHOLARSHIP AWARD

Pet Insurance U offers the 2017 Veterinary Student Scholarship Award of \$500.00 to a student that advocates educating the public about ending animal cruelty and to finding ways to help improve better standards for the humane treatment of all animals.

Applicants must be:

- Currently enrolled and in good standing at an accredited college of veterinary medicine in the United States
- Distinguished academic record
- Community experience in animal advocacy
- Demonstrated financial need

The deadline is December 31, 2017. The application is found at <https://www.petinsuranceu.com/veterinary-student-scholarship/>
